The Secure Integrated Response Electronic Notification (SIREN) system has been developed in conjunction with the statewide plan for information technology as set forth in A.R.S. § 41-3504 (A(1)). It is a component of the State of Arizona's Health Alert Network system, which may be accessed and used only for official business by authorized personnel. Unauthorized access or use may subject violators to criminal, civil, and/or administrative action. As a State owned system, there is no right to privacy on this system. All information on this system may be monitored, intercepted, recorded, read, copied, and shared by authorized personnel for official purposes including criminal investigations. Access or use of this system, whether authorized or unauthorized, constitutes consent to these terms. (Title 18, U.S.C.)

#### Welcome to the Portal

The Arizona Public Health Preparedness Portal is designed to facilitate communication in the event of a public health crisis. In an emergency situation, the Portal will be used to notify members of the emergency response community and distribute information as needed.

#### SIREN Technical Support

The Arizona Public Health Preparedness Portal provides technical support to its users Monday thru Friday (except State Holidays) from 7:00 AM to 4:00 PM. SIREN users can contact technical support via phone at (602) 364-3318 or email: [helpdesk@siren.az.gov](mailto:helpdesk@siren.az.gov). SIREN Liaisons should use the MEDSIS/SIREN Guideline and Users Request Sample Format at the link at the SIREN Technical Support site to assist them in formatting their requests before submitting them to the SIREN Helpdesk.

#### SIREN Training Available

If you need additional training on how to use SIREN, the Public Health Preparedness Portal or SIREN Email, please contact one of the following SIREN Trainers: Interim: Ruth Penn SIREN Training Liaison, (ADHS Users) (602) 364-1199 or Ruth Penn, Training Liaison, (Non-ADHS Users) (602) 364-1199
